11th International Electric Vehicle Technology Conference and Exhibition

(iEVTech 2026)

Driving Thailand's EV Future:

Powering a Competitive & Connected Supply Chain

1-2 July 2026

QSNCC, Bangkok, Thailand

Organized by

Electric Vehicle Association of Thailand (EVAT)

Co-organized by

Informa Markets - Thailand

With the aim to help coordinate and promote green transportation in the region, Electric Vehicle Association of Thailand (EVAT) in partnership with Informa Market has the pleasure to give a warm welcome to all speakers and delegates from ASEAN and its partners around the world to the 11th International Electric Vehicle Technology Conference and Exhibition (iEVTech 2026). The event this year will be held on 1-2 July 2026, QSNCC, Bangkok, Thailand. The conference will be focused on the following topics:

- Policy and Trends
- Energy Supply & Storage Systems
- Traction Motor & Drive Systems and Components
- Charging Infrastructure

The organizer hopes that iEVTech 2026 will become an international platform for researchers, designers, developers, policy maker and EV potential users to gather knowledge from leading experts around the world and share ideas and from one another. We hope that such information exchange will contribute to the development of electrified transport technology toward smart and sustainable transport in ASEAN and the world.
